Stand-Assist Lift

13246 1/cs

FEATURES:

- Provides stable assistance in standing, transferring and toileting.
- Four sling attachment points enable the lift to accommodate a variety of stand-up sling designs.
- Extra-wide, non-skid foot plate provides a stable base for foot positioning.
- **Soft, padded adjustable leg support - includes a support strap to secure legs to the support.**
- Easy roll 4" casters mean stability and easy maneuverability over a variety of surfaces.
- 4.5 under bed clearance provides access undermost long term care beds.
- 24 V DC motor provides power and reliability.
- Motor has an emergency stop button and manual lowering feature.
- Fast charging, re-chargeable battery is removable to eliminate lift down-time.
- Battery has a charged and low-charge indicator. Audible tone when charge is complete.
- Battery charge meter indicates the battery power status while in use. Audible tone when battery power is below 50%.
- Includes removable, rechargeable battery (item #13258), charging station (#13255) and wall mount bracket (item #13260).

To prevent lift downtime - order an additional re-chargeable battery, item # 13258. One for the lift and one for the charging station.
